ONE MORE TIP... go to <http://animoto.com/education> and apply for an educator's account! Educators are eligible for a free "Plus" account, which means that you can create videos of unlimited length for free. Also, the educator's account allows you to set up student accounts, if you wanted to use Animoto for a class project.

Below the headline is a paragraph: "Enhance your digital classroom with Animoto, the perfect tool for creating videos and presentations.
